

ZoneAce 15-0-12

Controlled Release Nitrogen
Highly Available Potassium

GUARANTEED ANALYSIS:

Nitrogen (N) 15.0%*
5.00% Slowly Available Nitrogen
10.00% Water Soluble Nitrogen
Potassium (K₂O). 12.0%
Derived from: Urea, Urea-Triazone solution, and Potassium Acetate

***4.51% Slowly Available Nitrogen**

DIRECTIONS FOR USE

Citrus & Fruit trees: apply 2 to 6 quarts per acre as needed
Vegetable Crops: apply 2 to 4 quarts per acre in 7-14 day intervals
Commercial Sod: apply 1 to 2 gallons per acre
Turfgrasses: apply 3-6 oz per 1000 sqft. biweekly or as needed
Tees & Greens: apply 6-8 oz per 1000 sqft as needed
Ornamentals: apply 2-4 quarts per 100 gallons and spray to runoff

SPRAY RECOMMENDATIONS

G.F.C. ZoneAce 15-0-12 may be applied by ground or air. Always use sufficient water for thorough coverage. Compatible with most fertilizers and pesticides, but always perform a compatibility jar test.

Manufactured By:
Glades Formulating Corp. (F-1811)
PO Box 1690
Belle Glade, FL 33430

G.F.C. ZoneAce 15-0-12 is a clear liquid solution fertilizer with Nitrogen (N) and Soluble Potassium (K₂O). The Nitrogen is a combination of slow-release and readily available sources. The slow-release component is provided by the Triazone molecule, which is stable and non-phytotoxic. The Triazone molecule prolongs wetting of leaves, allowing for greater penetration and less loss from crystallization on leaf surfaces. The Potassium is derived from Potassium Acetate, which has extremely high absorption rates with no phytotoxicity. The combination of the Triazone molecule and Potassium Acetate provides highly-efficient forms of Nitrogen and Potassium for foliar application.

CAUTION

Keep Out of Reach of Children

IN CASE OF CONTACT

Ingestion: Drink 2 glasses of water or milk if conscious. Seek immediate medical attention.
Eyes: Rinse with clean water for 15 minutes. Seek immediate medical attention.
Skin: Remove contaminated clothing. Wash with soap and water. Seek medical attention.
Storage: Store in cool place in original container in locked area inaccessible to children, pets, or wildlife.
Disposal: Triple rinse empty containers, and offer for recycling or disposal by federal, state, and local approved procedures.
CONDITIONS OF SALE: Glades Formulating Corporation (GFC) warrants that this product will conform to label description and is reasonably fit for purposes state on the label when used in accordance with directions under normal use. This warranty does not extend to use of this product contrary to label instruction, or under conditions not reasonably foreseen by GFC. Buyer agrees to inspect all products purchased immediately upon delivery. GFC DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSES. GFC SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, AND GFC'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE.
